Harvest - One Moon

Join us to celebrate our unique landscape through art and performance at Salomons Memorial viewpoint, Box Hill.

Saturday 28 September, 7.00-8.30pm.

In this 50th anniversary year of the lunar landings, artist Mary Branson will be creating a moon purely with people and giant moon lanterns viewable from Salomons Memorial, Box Hill as night falls.

As the choreographed piece takes shape, poetry, singing and percussion will ring out from the hillside. Supporting this visual spectacle will be music performed by I Speak Music and UP! Orchestra members reflecting the cultural diversity of our communities in this Area of Outstanding Natural Beauty which we all share. Come and watch or even join in the singing from community choirs led by Anna Tabbush.

Bring a torch!

The National Trust cafe will remain open throughout this event.
